The Euro Funkyfront is a budget conscious product based on our most popular Funkyfront door options. It comes with three frame options and a choice of our stains and paints with the same high security multi point locking system, laminated high performance thermal glass and sleek Kloeber styling.

Our entrance door systems complement a full product range of windows, sliding doors, folding doors, French doors and glazed screens. These are available in engineered timbers, aluminium or coloured uPVC. For further details please refer to our website or contact our experienced sales team.

- Multi point locking
- Pre-hung
- Suitable for disabled access
- Factory finished
- Easy installation
- Excellent U values

Please note, all prices quoted above **exclude VAT**, delivery and fitting. Prices correct at time of printing, subject to change without notice.

Kloeber UK Ltd is a specialist manufacturer of advanced glazing products in timber, aluminium or coloured uPVC.

We offer a high quality product with low U-values, double or triple glazing options and a wide range of finishes. Site survey and full fitting service also available.

View our products at our Cambridgeshire showroom or at one of our nationwide Agents. For further details please call our experienced Sales Team.
